Mission of the Church

Prepare students to fulfill the mission of the church by:

a) Showing what Adventists do in the church organization, relating to the subject of COMPUTER.
Some examples:

    Teach computers at Adventist schools
    Support GC, Division, Union, Mission and churches with office computer needs
    Adventist publishing and printing computer design and layout
    Assist in most Adventist careers to make their work more effective
    Make SDA web pages for witnessing
    SDA periodical index put on the Web as it is great service for research

Additional examples:

b) Identifying personnel and functions, related to the area of COMPUTER, that are needed to fulfill the church's mission.
Some examples:

    High level computer training is needed to support new Adventist accounting software
    Teachers for our schools on all academic levels
    Statistics for church research
    People who can do databases for church information such as:
    membership, inventory, archives, personnel, resources

Additional examples:

COMPUTER

c) Giving students opportunities and personal experience in witnessing, out-reach and service relating to the area of COMPUTER.
Some examples:.

Secondary School:
> Preparing brochures for evangelistic meetings on computer
> Make printed church bulletins and programs for the church
> Prepare power point presentations for church meetings and seminars
> Make web page for witnessing about church items
> Operate chat room on internet for spiritual needs
> Hold community computer training as a way to make friends and to witness

Primary School:
> Make vacation Bible school activities for children attending
> Use computer to make crossword puzzles for children at branch Sabbath School
> Make posters to invite children to Sabbath School
> Make posters to share Adventist value at branch SS or community children's program

Additional examples:

_____

_____

_____

d) Identifying the role and importance that COMPUTER plays in fulfilling the mission of the church.
Some examples:

Computers are a part of most careers and computer knowledge will empower people to better serve the Lord. Computers will play an increasing role in future communications. The better we communicate, the better we can take the Gospel to the world. The church needs people who can gather needed information to help the schools, hospitals and other work of the church. Computer and internet skills will be needed for this work.
