

Mission of the Church

Prepare students to fulfill the mission of the church by:

a) Showing what Adventists do in the church organization, relating to the subject of BIOLOGY.

Some examples:

- Doctors and nurses serve various specialties
- Bio-chemists research diseases and cures
- Surgeons and medical assistants go as missionaries

Additional examples:

b) Identifying personnel and functions, related to the area of BIOLOGY, that are needed to fulfill the church's mission.

Some examples:

- Write some simple medical courses for Volunteers
- Do more research for natural remedies with herbs, etc.
- Do more research for natural foods, e.g. grasses, wild berries, etc.
- Write curriculum in personal gardening that can be done in flower pots

Additional examples:

BIOLOGY

c) Giving students opportunities and personal experience in witnessing, out-reach and service relating to the area of BIOLOGY.

Some examples:.

Share flowers and foods with shut-ins

Help someone with their gardens

Additional examples:

d) Identifying the role and importance that BIOLOGY plays in fulfilling the mission of the church.

Some examples:

Gives students a deeper appreciation for God's creative power and the wonderful gifts of nature.

Affords a better appreciation for life.
