How Light Travels	Light travels so should the light of God's word travel to different parts of the earth.	Witnessing	Matthew 24:14
Speed of Light	Light travels quickly. As Christians bearing the light of God, we should be quick in taking action where it is much needed.	Global Mission	Matthew 28:19
Normal Reflection	When light strikes a very smooth surface, the rays bounce off evenly so a clear and sharp image is formed so when we live clear and smooth lives, others can see the light of God so sharply in us.	Witness	1 Thessalonians 2:10
Behavior of Light	When light comes from a source, it travels outward then strikes different objects. The light we receive from God should flow outward from us and touch different individuals.	Christian lifestyle	John 3:8
Reflection of Light	When you look at yourself in the mirror, you see your image. Do others see the image of God in the light we reflect?	Christian Behavior	1 Corinthians 10:32
Kinds of Mirrors	The reflection of an object depends upon the shape of the surface of the mirror. The kind of light we reflect depends upon the kind of lives we live.	Christian Lifestyle	1 Corinthians 10:31
Colors	White light passing through a prism is refracted and separated into different colors. God's light passing our way brightens and colors our lives with many blessings.	God's Blessings	1 Corinthians 10:33
Colors	As different colors blend to make our world beautiful, so should our different talents harmonize to uplift God's work.	Harmony	Acts 4:32 Phil. 2:2
Light and Sight	Objects cannot be seen unless they give off light. The love of God cannot be seen unless our lives reflect goodness, kindness and cheerfulness.	Cheerfulness	Romans 12:10
